Machining Options Available

Don't forget PBI Doors offers precision machining on all of our stile and rail, glass and louver doors!

Don't forget PBI Doors offers precision machining on all of our stile and rail, glass and louver doors!

We offer the following machining options:

- Hinges
- Cylinder Lock Bores
- Mortise Locks
- Pivot Pins
- Bottom Door Grooves (for barn door hardware)
- And more - *please check with the plant for your specific needs*

Let us help you with your machining requirements! We often ship machined doors the same week or a week later than slab door orders!
